▪ MT. JIRISAN (NAMWON – GURYE) - SEOUL

0900 Meet your guide and check out from hotel

0900-1030 Slowly drive along the uphill at GU-RYONG-RYEONG HILL. This is the regional road where only few cars are passing by. We love this road because of the very thick red color maple trees.

1030-1130 We need to go over another big hill called SEON-GSAM-JAE. This is highest hill at 1,102 meters accessible by car and there is HWAEOM-SA TEMPLE at the foot of the downhill. (But, we won't go to HWAEOM-SA TEMPLE for time limitation.)

1130-1300 Take small shuttle bus\* to the top of the mountain and walk to SA-SEONG-AM TEMPLE. Due to the location at the top of the mountain, several TV dramas were filmed here.

1300-1400 Lunch with HAN-JEONG-SIK. HANJEONGSIK is the set of rice, soup and 5-10 small a la carte dishes. This is not luxury HANJEONGSIK, but, it is very popular restaurant because they provide more than 20 dishes.

1400-1730 Transfer: GURYE - SEOUL
